Veteran's Day at Homecrest House

(Silver Spring, Maryland, Wednesday, November 11th, 2015) Veteran's Day is special day of remembrance of the men and women that served and fought in combat. Every year our very low-income residents and Executive Director, Joe Podson, don their military uniforms and remember WWII, Korean and Vietnam era duties!

This Veteran's day the residents enjoyed a delightful drive to the DC memorials. It was a gorgeous day and they got to walk around the veteran monuments. Later that afternoon the residents gathered in the promenade to reminisce of the wars that they were in. Even family members had come in to hear their loved one's story.
