

Thank you for your interest in being a Table Host at our Jewish Family & Child Service (JFCS) fundraising luncheon on May 3rd!

Table Hosts play a key role in helping JFCS meet our fundraising goal by filling a table with 10 (including yourself) philanthropically-minded people who will donate at the luncheon.

Once you've signed on to help, you will receive a table host packet with all the information you need to fill your table, including an invitation script, FAQs, event details, and a program agenda.

To be a Table Host, please complete the information below and send to:
