May 8, 2015

Los Al Parents & Families:

The academic achievement of our students is a serious undertaking here at Los Alamitos High School, and it's during this month of May when our students experience the bulk of their scholastic exams. From AP tests, to SAT and ACT exams, to state assessments, our school is committed to maximizing the achievement of all of our students, all of the time.

To this end, please find our upcoming State Assessment Bell Schedule as the second page of this enclosure. Juniors will take Math exams on May 20th and May 21st, and English Exams on May 27th and May 28th, in the same online digital environment they've been preparing with teachers for all year long.

Remember, scores of 3 and 4 on these exams can exempt students from English and Math classes at California State Universities and exit them out of the state's Early Assessment Program (EAP).

Please take a look at the enclosed Assessment Bell Schedule as it impacts all students at Los Al. Test-takers will start at our regularly scheduled time of 7:48am on all Assessment Days (7:30am on May 28th), and non-test-takers will have extended Late Starts.

Sincerely,

Joshua Arnold, Ed.D.
Principal
