Congratulations to Baldwin County High School students Bryant Jordan and Owen Nobles who have qualified for the Sub-State Golf Tournament sponsored by the Alabama High School Athletic Association. The BCHS golf team

fell just short at sectionals, finishing in fourth place along with the Daphne Trojans. The two teams went into a sudden death play-off and the Tigers lost by one stroke to finish in fifth place. The top four teams advanced to the next level. Owen and Bryant did qualify individually for sub state with scores of 84 and 85, respectively. Good luck to these two as they continue their journey! Holly Hills is proud to be the home of the BCHS Tiger Golf Team!

Manager's Corner: "We want to welcome Jonathan Barnett to our staff. He is helping us out with the closing shift carts and range and a few other things in the clubhouse. Jonathan is currently a junior at Baldwin County High School and is a member of the National Honor Society. He enjoys hunting and golfing. Our other high

school helper is Amelia Bjuro who recently had her all-time low score at the county competition, finishing second with a 77 (42-35). She had a birdie streak on the back 4 birdies out of five holes. Lessons have picked up as more children are getting involved and that is a golf club's future. What we run into at a golf course is many golfers never take lessons or learn the etiquette of the game, so we have to deal with slow play, not letting people play through, nor repairing ball marks and more. We had a successful day with the end of the year Ladies Team Play. Twenty-five ladies participated

from various clubs. Mrs. Stephanie Johnson was elected president for the upcoming year. Holly Hills has been invited to participate in the Challenge Cup in Baldwin County with eight clubs rotating and competing against each other in different age groups. More info at the clubhouse.

A few more projects have been completed

including the men's bathroom, youth room roof is on schedule and new floors in the bathroom. A few more items have arrived for the Pro Shop including towels, sun hats, visors, divot tools, etc. As always thank you for being a member at Happy Holly Hills." – **Mikki Bjuro, Manager**

Holly Hills is open Tuesday through Sunday from 7 a.m. to 7 p.m.
