

Bluebell Railway Atlantic Project Sponsorship List – April 2015

We still need to make or purchase a large number of individual components in order to build the locomotive. If you, your friends or your company would like to sponsor a particular item then contact our Treasurer with a cheque made out to the Bluebell Railway Trust (and of course a Gift Aid form if you have not already filled one in). You will in return receive an attractive Sponsorship Certificate (designed by Matthew Cousins) detailing your particular sponsored item. These will be suitable for framing should you wish. Each item on the list is individual so no one else will be sponsoring the same item.

To sponsor any of the components listed below, please fill in and return the form at the end of this document.

Parts remaining from earlier lists

Brake Pull Rods Screwed – 5 off -----	£300 each
