Course Descriptions

Field Trip Course Description

The Matrix Energetics® Field Trip seminar is our easy to understand, and even easier to do, foray into working with Self and Other in a 'Remote Influencing' format. In this course you will learn how to Remotely Perceive, Access, and Influence any pattern in any aspect of life. Melissa and Richard will share and demonstrate incredibly easy to learn and unbelievably powerful tools in which you can observe, explore, and potentially change any situation, condition, or Life Pattern.

This course is a natural and super-charged expansion on our popular Unplugged: Spatial Clairvoyance class. These new skills will be explained, explored, and extensively practiced so that you can develop the ability to perceive, understand, and positively influence any problem, condition, or challenge that you wish to change.

The Field Trip skills, which are easy to learn and utilize, are some of the most powerful and practical methods you have ever experienced. Imagine being able to interact with and positively influence your Health, Finances and Relationships, or just deepen and expand your connection with the "All That Is"! This seminar has been successfully taught all over the world. Anyone can learn and master these skills!

The Field Trip has become a favorite seminar to attend, and it comprises the very tools and skills that Melissa and Richard use in their healing practices and personal lives every day! Now you can learn what they do for your very own enjoyment and mastery! Join Melissa and Richard for a world-changing Experience!

This seminar may be taken if you have attended our ME Fundamentals (or Fundamentals Intensive) Seminar. The Field Trip is a fun, easy, mind-expanding, and completely practical combination of our Unplugged: Spatial Clairvoyance and Intuitive Awareness Intensive seminars! If you always wanted a definitive way to work on yourself, or another, this is it! If you want to be able to move from the problem state to the power of an expanded perspective, this is it! If you are curious and childlike, and want to have more fun while learning how something can transform how you relate to and interact with all aspects and levels of your life, this is it! Prerequisite: Students must have successfully completed a minimum of one Fundamentals (or Level 1&2) seminar or 'M-Joy Of Being' (Women) seminar.

Mastery Course Description

The Mastery seminar currently represents the culmination of Matrix Energetics® course offerings and is a Journey into Self-Mastery. In this groundbreaking training course, Melissa and Richard present in-depth and comprehensive templates of advanced skill-sets for students of Matrix Energetics®' continued journey toward self-mastery.

You will learn how to locate physical/energetic areas of imbalance in the body, determine the cause of the imbalance and utilize specific energetic tools and techniques to correct imbalances contributing to the condition or problem. Dr. Bartlett and Melissa Joy have personally and professionally been using this new process consistently with very powerful results.

In the Mastery seminar, the skills you have developed and mastered in Fundamentals and Magic provide the foundational essence from which you will build upon with specific templates that can be utilized for manifestation, transformation and healing for yourself and others.

In the Mastery seminar you will learn:

- A 100% all-new, advanced protocol specifically designed to address a broad spectrum of health conditions and symptoms
- Powerful new tools to explore the process of deep inner transmutation and self-mastery
- New scientific information of torsion field physics which contains the secret essence of instant manifestation and transformation
- Breakthrough skills in tracking and immersing the student's consciousness in multidimensional thinking
- Unique action templates that take your skill-sets deeper than has ever been presented in any Matrix Energetics® course
- Exercises and additional techniques covering the ability to immerse the student in heart-centered reality structuring and multi-dimensional awareness
- Further exploration and implementation of exercises for developing and honing your intuitive abilities

Prerequisite: Students must have successfully completed a minimum of one Magic or one Field Trip (3-day Unplugged: Spatial Clairvoyance + IAI) seminar. Students may attend the Mastery seminar immediately upon completion of either of the above requirements.

This course is not required for completion of Practitioner Certification requirements. However, completed attendance will count 12 hours toward certification requirements. Attend this course and move one step closer to becoming an official Certified Matrix Energetics® Practitioner!
