

In addition to planning the DWOS event, Friends of the Atascadero Library is creating a float for the **Colony Days parade scheduled October 17th**. The parade theme is "Volunteers on Parade." If you're interested in joining the fun and camaraderie of float construction, please email me at: jeannie@gregmalikregroup.com. Dance choreographer **Christina Troxel** has created the unique float design and will shepherd us through the building process. Special thanks to Mike at **American West Tire Pros** for the loan of his flat bed to house our float.

In closing, I'd like to thank Bob Alberti for his leadership and guidance during his term as President. And, special thanks to Linda Zirk for accepting the reins as our new FOAL President. Friends of the Atascadero Library board members are some of the nicest folks around town and I feel blessed to be among their ranks.
