

On behalf of the Ballard Performing Arts Booster club, Directors and students, we would like to say:

THANK YOU to our 2015-2016 Corporate Sponsors

Their partnership and dedication to helping the community is shown in their generosity. They are a big part of our overall success this year. Their generous gift and support has enabled the Booster Club to provide scholarships for travel, and other necessary fees, and for all performing arts students to participate in this school year's events.

It is not too early to think about how you can become a sponsor. We have different types and levels of sponsorship available: **Corporate Sponsor, Event Sponsor, and Program Sponsor.** Let the Ballard Performing Arts help you spread the word that you, or your company care about the community. We are a non-profit organization and 501(c)3 verified. Amounts pledged will be tax deductible. We would like to discuss more details about this partnership with you. More information available on our website at <http://www.ballardperformingarts.org/SupportUs/Sponsorship.aspx>
