

BALLARD PERFORMING ARTS

Ballard High School Music and Drama Departments
Seattle, Washington

December 14, 2015

Dear Ballard Community Businesses:

As Ballard High School staff and students, we feel very fortunate to have the support of our local community. With limited funds available from the school district to support Music and Drama programs at the school, our students look to parents, private donors and businesses to help support our programs.

As in previous years, we are offering local businesses a chance to support our Performing Arts department by purchasing an advertisement or sponsorship in the annual musical program. This year's production is ***CHILDREN OF EDEN***. Programs will be distributed at all performances, which are generally full houses. Attached are advertisement and sponsorship rate sheets – starting as low as \$50 for a business card size ad or \$25 for a sponsorship. Your financial contribution will further the advancement of quality arts education by allowing students to participate in varied musical and performance opportunities.

Ads, sponsorships and payments are needed the first week of February to assess our need for printing in the new year. Checks should be made payable to Ballard Performing Arts and mailed to Ballard High School, 1418 NW 65th Street, Seattle, WA 98117. Or – if you prefer – one of our musical participants would be happy to pick up the check and thank you personally for your support!

We're looking forward to a great production and hope that you will be able to attend a performance. A schedule is enclosed for your reference. On behalf of the staff and students, thank you for considering supporting Ballard High School and its fine arts programs. Please do not hesitate to call if you have any questions!
