

**We
Want
YOU!**

ABC Basset Rescue of NYS is in need of Foster homes for our incoming homeless hounds. ABC pays for all medical care and treatment and any special requirements. You provide a loving and secure environment, and a bowl of kibble. That's it! You can have the satisfaction of helping a homeless hound, but without the life long commitment of adoption.

The program can be adjusted to place hounds in homes that best fit their personality, and the needs of you and your family. You can foster as many or as few as you like, and as frequently as fits your life. Call or email today and find out more on how you can lend a helping hand to a homeless hound today!
