SHELTON, Wash. – Harmony Hill Retreat Center and Mason General Hospital & Family of Clinics understand how hard it is to go through cancer treatment alone. With that in mind they are now hosting a monthly Cancer Support Group which meets on the 3rd Monday of each month. The next meeting is scheduled for Monday June 15, 2015 at 6 p.m. in Mason General Hospital's Pershing Room, through the Hospital's Main (south) Entrance.

The Cancer Support Group meets on the third Monday of each month from 6 to 7:30 p.m., and is led by **Ronnie Hacken**, MA, LMFT, a cancer retreat facilitator at Harmony Hill. More information on the Cancer Support Group is available by calling MGH&FC's Patient Navigator **Karry Trout**, BA, RT(R)(M), CBPN-IC at (360) 432-7706.

MGH is approved by the Joint Commission, and is a licensed and accredited acute care hospital with a level four emergency trauma designation. There are more than 100 physicians on staff in 19 specialties. For more information go to www.MasonGeneral.com.
