ENGAGE ... ENERGIZE ... EXCEL

Brad Patterson, Mason Transit Authority General Manager, shared the latest information on the Belfair Bypass and the West Sound Alliance at our monthly breakfast. More than 20 members, including Olympic College's Allison Smith (pictured with Brad), attended our breakfast at Lennard K's. Thank you!

Maybe you've never thought of our very own backyard as being "wild," but consider all of the activities surrounding us – not boring! We are all about inviting visitors to enjoy the excitement, breathtaking beauty and unparalleled recreational opportunities in our own backyard. Cheers to our Trustees for all of their support of our new tourism program. Check out www.explorehoodcanal.com and find out why we are Washington's wild side.

MEMBER OF THE MONTH

Chamber Treasurer Margie Kaiser of Peninsula Credit Union congratulates Troy Jasmin, owner of Computer Creations NW, our April "Member of the Month." Thank you for your extraordinary contribution to the Chamber, Troy. We can't wait to see our new website!

SHOP LOCAL at the Belfair Saturday Market

Open 10 a.m. to 2 p.m. every Saturday through Sept. 26. Located at the corner of NE Roy Boad Road and NE Clifton Lane (the small road between Safeway and QFC).

Thank you, Mendy Harlow, and her team for hosting our May After Hours event at The Salmon Center. We had a great time networking and learning about what it takes to take care of this treasure. The Salmon Center works to ensure that wild salmon are once again abundant in the Pacific Northwest. Mendy is pictured here with Trustee Herb Gerhardt, Mason Co. Public Hospital District 2.
