

**12 STEP EUCHARIST:** The Eucharist on the first Wednesday of the month at noon at St. Luke's Episcopal Church 4106 JFK, will begin incorporating the 12 steps as well as the healing service in its liturgy. The service has been prepared by the Recovery Ministries of the Episcopal Church. It is a teaching liturgy showing us how the spirituality of the 12 steps is part of the liturgy of the Eucharist. For people in recovery, this liturgy may be important to see how each of the steps is present in the liturgy of the word and the table. For those not involved in a 12 step program, the service will be an introduction to the spirituality of the 12 step program.
