

# SCHOOLS CAN **ACT ON CLIMATE** & CUT THE **RED TAPE**

Schools can be great agents of change while transforming their communities and educating the leaders of tomorrow. We believe schools should set an example and demonstrate leadership against the biggest threat our youth will face,  
Climate Change.

"Time to Cut the RED Tape on Climate Change negotiations.  
Time to Act On Climate for our future generations"

# SCHOOL'S CLIMATE ACTION KIT

How to Help? Start here:

## 1-SCHOOLS, ACT ON CLIMATE!

Sign the Act-On-Climate Declaration **HERE**.

You will join an international coalition of schools around the world that intend to Act-On-Climate for their students. All participating schools will be recognized on our website, social media and in a special ceremony during the United Nations Climate Change Convention in Paris during COP21 in December, 2015.

## 2-USE YOUR VOICE!

Please sign the petition **HERE** & Share!

**Students, Teachers, Admin,  
Families & Staff:**

Tell COP21 government leaders you want them to **Cut the RED tape** and sign the Climate agreement in Paris later this year. Take action for our student's future!

DEAR COP21 LEADERS,  
**WE DEMAND TO ACT ON CLIMATE &  
CUT THE RED TAPE!**

OUR FUTURE IS AT STAKE!

## 3 - BECOME A CLIMATE REALITY LEADER!

On **September 28-30** in Miami, Florida The Climate Reality Project will be hosting a training for new Climate Reality Leaders to help grow the movement for Climate Action. Attending the Florida training will not only provide you with cutting edge tools to most effectively communicate climate change to your community but will also enter you into a network of over 8,000 devoted individuals from 125 countries who are committed to use their voice to address the climate crisis. Attendees will join leading scientists, entrepreneurs, and communications professionals for workshops highlighting what climate change means for Florida and the US, breakthroughs in clean energy and other solutions, and best practices in organizing and outreach. In addition, attendees will also spend a day learning how to tell the story of climate change and solutions from former **US Vice President Al Gore** and other experts, using the presentation that became the award- winning documentary *An Inconvenient Truth*. During the training, you will develop the skills, relationships, and connections to shape the conversation within your schools and communities in the context of a global solution to the climate crisis, all in advance of the climate negotiations in Paris this December because it's time to **Cut the RED tape** & Act On Climate!

To apply, please access the special link for **Cut the RED Tape** signatory schools **HERE!**

Students, Teachers, Parents & Staff can all apply!
