

# MRTA is not a typical transit agency

## Typical Transit Agency\*

\*US DOT 2006 Conditions and Performance Report

## Mountain Rides

- MR depends heavily on local and federal funding
  - Better federal \$ picture for 2<sup>nd</sup> half FY2015
- No state funding mechanism
- Fare portion is lower due to free routes
  - LOT funding from Ketchum and SV make up difference
- Very little balance or diversity in MR funding categories
  - True for most public transportation agencies
