

# SAVE THE DATE

## ***WAS*** **WASHINGTON** **AEROSPACE SCHOLARS**

### 2015

### Summer Residency Luncheons

Join us for an inspirational luncheon event to hear how a group of STEM-focused high school juniors, from across Washington state, plan to send a human mission to Mars.

**Please attend one of these extraordinary events at:**  
**The Museum of Flight**

on one of the following dates:

Friday, July 10th, Noon-2pm

Friday, July 17th, Noon-2pm

Friday, July 24th, Noon-2pm

Please RSVP two weeks prior to your preferred luncheon date  
206-764-5866 or [medwards@museumofflight.org](mailto:medwards@museumofflight.org)

“Before participating in WAS, I didn’t have the same appreciation for math and engineering, two of my main interests now.”

**-Anna N., student at Tacoma School of the Arts**
