API BLOOD DRIVE & BONE MARROW REGISTRATION EVENT

Sunday, July 19, 2015, 9AM - 3PM (Staff break 11am to noon)

Cornerstone Christian Fellowship Church (Lake Hills Elementary School - 14310 SE 12th St., Bellevue 98007, click [here](#))

Why donate?

Blood that closely matches a patient's ethnicity is less likely to be rejected by the patient and provides fewer risks for complications. Therefore, we are asking you to support the Asian Pacific Islander (API) community by increasing the number of API blood donors.
