The Hawaiian Humane Society is an education and advocacy organization that also shelters, protects, rescues, reunites and rehomes animals. It is Oahu's only open-admission shelter that welcomes all animals. Established in 1883, this non-profit organization is not a chapter of any group as there is no national humane society. Gifts made directly to this independent, local organization help local animals and people. Visit [HawaiianHumane.org](http://HawaiianHumane.org) to learn more.
