

3rd Grade's Big Backyard

Welcome to Third Grade!!!

I hope you are having a wonderful summer full of sleeping in, relaxing, swimming, adventures, and lots of fun!!!! I went on a mission's trip to Samoa where I helped provide medical aide to over 400 people in the villages, attended the North American Christian Convention with my husband where we were blessed to hear the most amazing speakers in Christian ministry, and we will be going to Lake Tahoe with my family for some fun adventures!

This is my 23rd year teaching at West Valley Christian School. I have taught 1st, 2nd, and 3rd grade as well as spent 4 years as the elementary principal. I have been married for 23 years to John Stalboerger who is a pastor at West Valley Christian Church. We have 2 sons, Andrew 20 and Timothy 18, who are currently attending Cal State San Marcos.

I am looking forward to seeing you on Monday, August 15th at Student Orientation or on our first day of school together on Tuesday, August 16th!!! Third grade is an exciting year where you will grow in independence and personal responsibility. We will study many interesting topics such as the solar system, Native Americans, cursive handwriting, multiplication and division, Jesus' life and Paul's missionary journeys just to name a few. ***In the meantime, please be sure to be reading at least 20 minutes a day and practicing your addition and subtraction math facts to 20.***

Summer Project: Please bring a 4x5 or 5x7 picture representing your favorite summer memory/experience/moment from THIS SUMMER by Tues., Aug. 16th as we will be using it the first week of school.

I am anxiously awaiting your arrival on Tuesday, August 16th!!!

Mrs. Stalboerger
