

# Welcome First Grade Families!

Welcome to First Grade!

I am so excited to be your First Grade teacher! I look forward to meeting each of you on Monday, August 15<sup>th</sup> at Student Orientation. I have been working on what field trips we will take and our exciting journey through learning as well. I look forward to Science, Reading and introducing you to Math-Vader!

I hope that you have been enjoying your time off during summer! I have as well by going to the beach, swimming, and going on several little trips. On one of the trips, I saw a very large statue of Paul Bunyan and Babe, his big blue ox, along with some big and mysterious trees!

**Can you guess where I was?**

If you can tell me on the 15<sup>th</sup> where I was you shall get a little treat :)

Please make sure you are reading at least 10 minutes each day. I would also like you to practice your math facts, and work on IXL.

**Summer Project:** If you have been someplace fun this summer please bring in a photo of you there, or a postcard and the name of the place written on it. Please bring it in the 1<sup>st</sup> week of school!

I look forward to seeing you on the 15<sup>th</sup>!

Mrs. Allwardt
