

Reveal the True Nature of Science

It's Your Timeless Moment

Take a moment in life to discover the timeless secrets of nature and surround yourself with a rejuvenating experience. Step into the valley of outstanding primeval beauty and immerse yourself in our unique combination of Dead Sea minerals, ancient plants & oils.

Using Science to Reveal Nature's Best

Nature is the resource, science is the mean. The deeper we explored, the further we evolved and progressed. Our science led us to innovation, our innovation lies within each product, naturally created using nature's best.

Embracing Skin Care

Our optimizing moisture and rich formulas wrap your body with an exceptional rich blend of Dead Sea minerals and selected herbal essentials that increase your skin moisture levels, selectively and effectively by gently cleansing and providing nourishment when you need it most. Creating a long lasting effect, leaving your skin perfectly nourished and balanced, highly invigorated and delightfully fragrant.

Relaxation of Body and Mind

Genesis Mineral SPA involves a pure holistic and wellness concept with Dead Sea minerals, vitamins and natural oils & herbal extracts that pamper and indulge both body and mind.

Dr. Fischer's Genesis Mineral Spa contains the actual mineral complex from the mud and water of the Dead Sea for the treatment of many chronic skin conditions, relax muscular tension and encourage vital and radiant looking skin.
