

A MOBILE APP FOR ALL YOUR IRRIGATION AND LANDSCAPE NEEDS!

We want to provide you with the simple, quick, easy solution for scheduling your irrigation and landscape service needs. By downloading this mobile app to your smart phone or iPad you will have a direct link to our company for all of your future needs 24/7.

Want to schedule your Spring Activation or have a technical question?
Need to add Landscape Lighting or renovate your landscape?
Thinking about enhancing your backyard space this summer?

Try the SERVICE TICKET NOW app!

With **SERVICE TICKET NOW** you have the ability to send your personal request to our company at your convenience anytime day or night and your request will receive immediate attention by our professional service team.

Instructions to Download:

1. Scan this QR code (note, if you do not have a barcode reader on your phone or iPad you will need to download a standard reader...search on QR code reader and download)
2. Once scanning the QR code it will link to website and open the service request form www.serviceticketnow/hillerman. *For iPhone and iPad devices you will have a pop-up screen asking you to save the icon to your device. Save by clicking on the envelope with arrow. You will now have our company app on your device for any future service requests. *For Android devices you must first save the website as a bookmark. As a second step you press on the home screen on your device and click to add shortcut and when screen comes up select bookmark. This will then add our icon to your screen.
3. If you don't have a QR scanner your alternate option is to simply enter the web address of <http://www.serviceticketnow.com/hillerman>. Once you have the Service Request Form you can save the app icon in the same method in step 2.

Call us if you have any questions or difficulties. (636-239-6729)
