

# Psychiatrist Opportunity

Our Lady of the Lake Medical Center in Baton Rouge, LA, is seeking two full time BC/BE Attending Psychiatrists to join our rapidly growing department.

One position is in the Consultation-Liaison service providing psychiatric care to patients on medical, surgical, and ICU units, as well as in the newly renovated emergency department mental health treatment area slated to open this summer.

The second position is full time in the emergency department. Both positions include responsibility for resident and medical student supervision and teaching in our new LSU/OLOL Psychiatry Residency Program. May also provide supervision for a nurse practitioner. The positions emphasize leadership and active engagement in clinical, educational, and scholarly activities.

We are seeking candidates that thrive in team based care settings, are serious in their scholarly pursuits, and dedicated to the provision of outstanding evidence based clinical service.

Our Lady of the Lake, the largest general hospital in Louisiana, delivers a full-spectrum of psychiatric services including: adult, geri, and adolescent inpatient units, detox unit, emergency department and med/surg consultation services, as well as clinic, intensive outpatient, and partial hospitalization services.

Position qualifications include BC in Psychiatry (BE acceptable if < 5 years since residency). Psychosomatics fellowship or consultation/ED experience a plus, new graduates will also be considered. Competitive salary and benefits package offered. Shared call schedule nights and weekends. Faculty appointment commensurate with experience.
