

Duncan Fitness Centre  
3006 Boys Road  
Duncan, BC

Dear Chamber Member,

At Duncan Fitness Centre, we understand and appreciate your commitment to the success and growth of your community. We also know that to obtain great success, businesses must support their employees in being healthy and active. Therefore, we are offering a very special benefit to all Duncan Cowichan Chamber of Commerce members!

Duncan Fitness Centre will provide all chamber members with a set of free 14-day guest passes. These passes entitle your employees to 14 free days of fitness and a great chance to check out what our studio has to offer. What's more, this offer extends to their entire family! And, if your employees choose to join Duncan Fitness Centre, we will discount their membership dues 10% off of the standard rate.

Perhaps the best part of this offer is there is no cost to your company. With Duncan Fitness Centre as your partner, you can promote a healthy workplace and not spend a penny! To order your free passes, simply complete the Corporate Activation Worksheet that accompanied this letter. Email the completed form to [Duncanfitnesscentre@gmail.com](mailto:Duncanfitnesscentre@gmail.com). Or, if you prefer, please call us at 250-815-0158.

Duncan Fitness Centre is the premier group and personal training studio in Duncan. As opposed to typical gyms, we're focused on delivering your employees and our members results through World Class programming, nutritional guidance and a strategic combination of motivation and accountability. We are excited to offer our services to your team and helping you enjoy a healthier, more productive workplace!

We thank you for considering this opportunity! More importantly, your employees will thank you!

Yours in Health and Fitness,  
Simon Young
