We invite you to think about your giving to St. Nicholas Church, and thank you for your prayerful reflection.

To make a pledge, look ahead to 2012 and estimate how much you can commit to offering for God's work at St. Nicholas.

Please prayerfully consider whether you can increase your pledge or perhaps make a pledge for the first time.

Please return your pledge card either by mail or by placing it in the offering on Saturday or Sunday.

Every pledge matters.

St. Nicholas is a vital and valued spiritual home for many; and your pledge is essential to the life of the church.

Too many people feel as though they cannot give "enough," or that their support is unneeded. But, whether you pledge \$1 per week or \$1,000 per month, your pledge adds strength to our community and increases the support our ministries provide to our congregation and others throughout the community.
