### Get in the Groove with Pittman & Daniels

*Saturday Feb. 27, 4 p.m.*

The renowned Reggie Pittman & Loren Daniels Quartet will perform live at the Bloomfield Public Library on Saturday, Feb. 27 at 4 p.m. Come hear what online music store *cdbaby* terms a “grooving and stylistically varied” acoustic performance.

Composers Pittman (trumpet and flugel-horn) and Daniels (piano and vocals) have released numerous recordings, including their latest, “Point A to Point A.” The New York-based quartet has performed with world class musicians including Stan Getz, Maynard Ferguson, Blood Sweat and Tears, The Allman Brothers, The Duke Ellington Orchestra and more.

The Bloomfield performance will include original compositions by Daniels and Pittman plus innovative arrangements of jazz classics and popular standards. The quartet is rounded out by bassist Mike Richmond and drummer Jonathan Peretz.

Ken Kesey’s “One Flew Over the Cuckoo’s Nest” will be reviewed by The Bloomfield Public Library Book Club on Monday, Feb. 1, at 6:45 in the library conference room. The book is a classic of 1960s anti-establishment literature — richly comic and deeply tragic.
