

Participants were asked about content, pace, information, and more. Participants offered positive comments, and also **made valuable input** about workshop location, content, presentation style, and more. **Comments help the CoAEMSP improve the workshop experience.**

100% said they would recommend the Accreditation Update to a colleague.

"I brought a copy of our recent self study. Reviewing it while the various areas were presented help tremendously."

"The atmosphere was reassuring and comfortable. I am not as worried about the accreditation process as I was."

"It helped me understand better how the accreditation works especially as a new Director."

"I liked the way George broke things down so they were not so complicated!!! He was encouraging and not discouraging!!!"

"More programs need to be doing this!!!"

"I learned a lot. I could take the course again, and even learn more. It was invaluable."

"Each of the speakers for their section were excellent, engaging, fun, informative and knowledgeable. I learned a ton."

"Great team! Also liked that they took an eval after day 1 and came prepared to answer those questions."

"Great opportunity. Second time taking this workshop, I learn something new every time."

"Excellent class. Helped tremendously - now have a ton of new ideas."

97% said they would recommend the Evaluating Student Competencies workshop to a colleague.
