

AC498/WS433 - Latina Oral History

Capstone Seminar

Tuesdays 1PM to 4PM

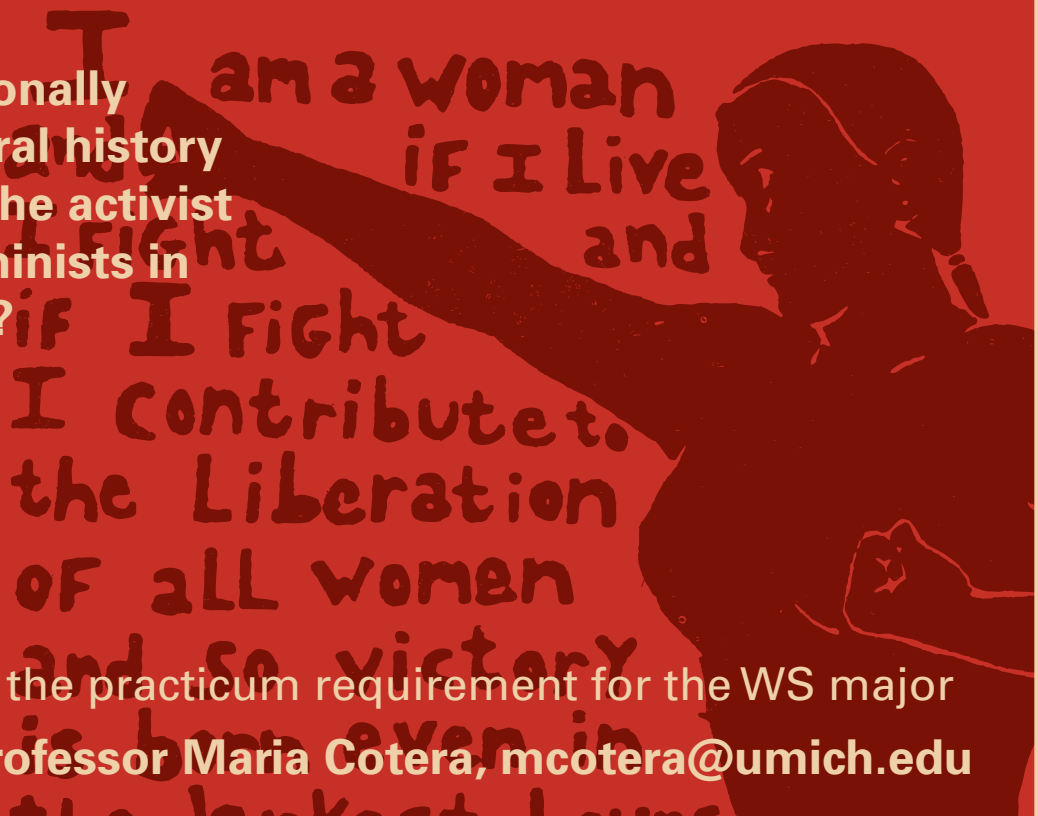

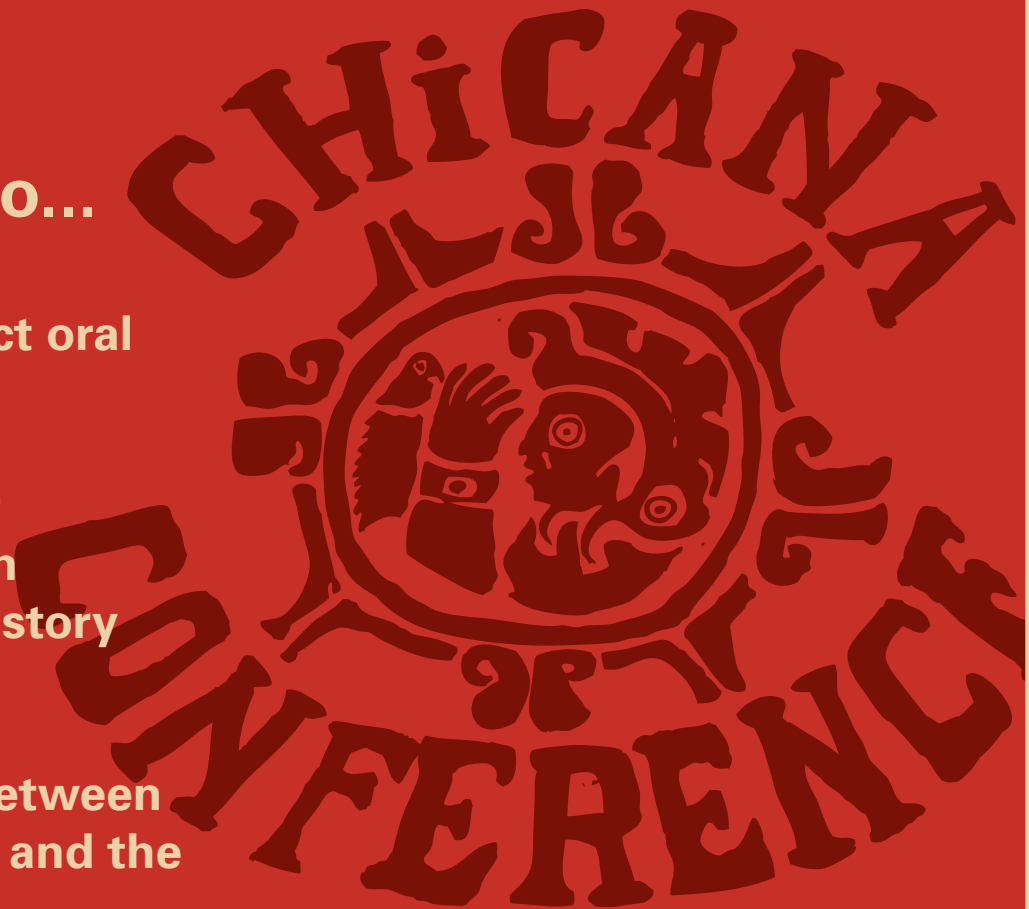

Do you want to...

Learn how to conduct oral history interviews?

Acquire the skills for developing your own community based history projects?

Make connections between your academic work and the community?

Contribute to a nationally recognized digital oral history project focused on the activist work of Chicana feminists in the 1960s and 1970s?

This course satisfies the practicum requirement for the WS major
