GILMORE HERITAGE AUTO SHOW

TRIPLE ANNIVERSARY SPECIAL JUNE 7

On Saturday, June 7 from 11 AM to 5 PM, the Gilmore Heritage Auto Show marks its 20th year as the region's most popular casual classic and vintage American car show. That's just the beginning. The show, *Mustangs at the Market*, will salute the 50th anniversary of the original pony car *and* it launches a summer of great events celebrating the Original Farmers Market's 80th birthday.

In addition to over 100 great cars, the 2014 GHAS will welcome a herd of Mustangs. We'll have super examples of fastbacks, 2+2s, convertibles, Mach 1s and a magnificent '66 Shelby Mustang 350.

We've also snagged a true "show car," the stunning "suicide door" Lincoln Continental which was the ride of choice for the guys on HBO's *Entourage*. It will join, to name a few, a '69 AMC AMX, a '54 Olds S-88 and a glorious '47 Packard Super Clipper on the Market Plaza, down Gilmore Lane and into the Gilmore Adobe driveway.

The Gilmore Heritage Auto Show is free. Seasoned fans of the show know that at 5 PM, every single car fires up and parades past the cheering crowd, but the show offers way more fun than that, so plan to join us early and savor it all.

SUMMER MUSIC AT FARMERS MARKET

FINE JAZZ, GREAT POP. FREE!

Thursday Night Jazz and Friday Night Music return this month. The two series, on our charming West Patio at 7 PM, offer the perfect opportunity for summer evenings of fine food, a drink or two and the most talented, skillful musicians in L. A.

All summer, you'll enjoy straight-ahead, traditional and modern jazz and pop music which covers the world – American Roots, Reggae, Country, Salsa, World Beat and more.

The music begins on May 29 when Thursday Night Jazz welcomes the energetic, entertaining Bobby Matos Afro-Cuban Jazz band. On Friday, May 30, Slim Jim Phantom – the original drummer for the seminal band Stray Cats – and his Rockabilly band will bring some serious pop bop to the Market. You can find our entire schedule at our website, www.farmersmarketla.com. Plan to join us this month and all summer long.

BLAZE PIZZA

HEATS UP NORTH MARKET

In the market for the hottest pizza concept in the nation? You're in the right Market. **BLAZE PIZZA** has arrived at North Market. Renowned "pizza whisperer" chef Bradford Kent's concept is simple: Use the freshest ingredients and build each pizza from scratch, just as you want it. Once you've made your choices – meats, veggies, a wide selection of cheeses and six sauces from traditional red to creamy white or olive oil drizzle – they fire it up for you.

"Fire it up" is an understatement. The Blaze approach uses fire, lots of it – the oven literally blazes at upward of 900 degrees! The rapid result is delicious – a crisp, fresh, exceptionally flavorful delight which compels folks to line up for **BLAZE PIZZA** from Long Island to Wisconsin to San Diego. This newest member of the Market's great restaurants also has a wide variety of salads.

about our favorite place

So, where's the oldest – and most delightful – toy store in L.A? Right here – **KIP'S TOYLAND** has been delighting kids and their parents since 1945. Only the most special places in our town last that long and this is just that. There is a smile in every aisle. When you need plain, old-fashioned fun Kip's more than fills the bill. . .Guys, June is nigh, which means weddings are on your calendar. Whether you're the groom or a guest, you'll want to look your very best. So visit **THE BARBERSHOP CLUB** for a classy cut and the smoothest, closest shave you've ever had. . .planning to throw a lobster on the barbie? Check out the brand new and super keen **TUSQUELLAS SEAFOODS** lobster tank. . .we've noticed that the team behind the counter at **PEKING KITCHEN** are always happy – what we can't figure out is whether that's because they enjoy serving you so much or because what they serve makes

FARMERS MARKET

everyone happy – maybe it's both. . .need summer hats? Find 'em at **FARMERS MARKET VARIETY STORE** and at the hat kiosk near Gate One. Need summer frocks? **NAOMI & LAVENDER** and **ZARA** have some beauties. Need summer shades? The Plaza has a kiosk with more stylish sunglasses than a Malibu beach party. Need a refreshing summer drink? **ZIA VALENTINA** has granitas – yummy and just right for warmer days (good for you, too). . .you can pick your own favorites when you stroll the Gilmore Heritage Auto Show (June 7), but as far as we're concerned, the '35 Ford Woody wagon and '56 Studebaker Hawk are mighty fine. FYI, you can pick your favorite at the Show by *voting for it* – it's a challenge to pick just one, but your vote may put the People's Choice winner over the top. . .bookmark www.farmersmarketla.com, to make it easier to register for *Taste of Farmers Market* when reservation registration opens. It's the most delicious – and economical – taste event in L.A. and it has grown so popular that reservations are all but essential. . .Happy Mother's Day from our families to yours. We hope you brighten her day with a visit to our favorite place. . .and we'll be proudly displaying our flag on Memorial Day to salute those who served. . .bye for now. . .
