French on the Willamette Summer Immersion 2016

PERFECTIONING CHALLENGE **FLUENCY**

IMMERSION WEEKS: French on the Willamette enters its third summer season with new lessons, activities and excursions – all selected for a challenging week of total language immersion (A2/B1). Each day begins with breakfast and the latest international radio news, followed by perfection of grammar skills, practice and exercises. Following lunch, afternoon lessons and activities will include conversation, listening comprehension tasks and pronunciation, a guided museum visit, film study, a Pittock Mansion tour with a walk through Forest Park – tout en français, bien sûr!

IMMERSION WEEKENDS: Two days of intensive language study at both the A2/B1 (intermediate) and B2 (advanced) levels. Start each day with breakfast and the latest international radio news, followed by listening comprehension exercises and grammar perfection drills. After lunch, there will be pronunciation practice, group discussion and even a gratifying *dictée*.
