*On behalf of the Benjamin N. Cardozo School of Law of Yeshiva University and the Auschwitz Institute of Peace and Reconciliation (AIPR), we invite you to gather together to honor the life and legacy of our beloved colleague Professor Sheri P. Rosenberg.*

Professor Rosenberg's contributions to the field of human rights and atrocity prevention have been far reaching. A dedicated scholar, advocate, teacher, mentor, and colleague, she impacted the lives of thousands of people through her successful human rights litigation, winning landmark cases on non-discrimination and citizenship rights in the European and African human rights systems. She inspired a generation of Cardozo students to see that making change is possible, be it by protecting the lives of vulnerable asylum seekers or providing crucial research and assistance to leading human rights groups and the UN.

For Sheri, every day was guided by honoring and remembering the victims of the Holocaust and other mass atrocities. Her imprint is permanent, and her visionary work continues through the Cardozo Law Institute in Holocaust and Human Rights.

Let us join together to remember and reflect upon her vital work as colleagues, students, and members of her professional community.
