

SANTA FE FEST

SPELLING BEE

Saturday – May 2, 2015

Galveston County Fair Grounds on Highway 6

A community wide family fun event including a morning 5K color fun run, our 9th Annual Car, Bike & Tractor show, an Old Smokey Cook-Off, a "Digging in the Dirt" volleyball tournament, kids activities, craft and vendor booths, school and community performances, a spelling bee, a helicopter golf ball drop raffle and the making of happy memories for many years to come.

Pre-Game

1. Each team must choose a Team Captain.
2. There will be three rounds:
 - * Rounds One and Two will consist of 10 words.
 - * Round Three will consist of 10 words or will last until there's only one team left.
 - * There is a Tie-Breaker list of 10 words if there is more than one team remaining at the end of Round Three.
 - * Time does not stop for anything.
 - * The words get progressively harder.

The Play

1. The moderator will call out the word, read the definition, provide a sentence using the word, and then say "GO". Teams will then have 30 seconds to spell the word.
2. Every team spells the same word at the same time.
3. The team decides the final spelling of the word and will then write their team's answer on a small dry erase board and will show it to the judge at the end of the 30 second time period. All writing must stop when the moderator calls time.
4. The judges will check your final spelling against the correct spelling and all teams with the correct answer will move on to the next word or round.

Second Chances

1. If a team misspells a word in Rounds One or Two:
 - * You may notify the moderator that you will buy another chance for \$25.
 - * You may notify the moderator that you will need a spectator to buy you another chance. The moderator will then solicit donations from the audience.
2. If your team has pre-paid for an Immunity Sting, you may use it during Rounds One or Two.
3. There will be NO Immunity Stings in Round Three.

Winning

The last team standing is the winner and has bragging rights until the Spelling Bee competition next year. Individual trophies will be presented to the winning team.

Only human resources within your own team can be used to spell the words in this competition. No electronic or outside resources are permitted. You may use only the whiteboard and marker provided. No additional paper and pen/pencil are permitted.
