What is the Client Connection Forum & Why Should You Attend?

Held annually, Client Connection Forum is a two-day client focused conference full of learning and knowledge sharing. The days are filled with informative and interactive sessions aimed at providing Avionté clients with new tips and tools to help continue to shape and improve their business. This is also a great opportunity for our clients to network, idea share and collaborate with their peers; as well as providing the team at Avionté the chance to interact with our clients face to face.

Last year, we welcomed over 300 attendees, making it our largest Client Connection Forum to date. Join us for our 6th Annual Client Connection Forum, held August 4th-6th at the Minneapolis Marriott City Center. We look forward to seeing you at our best Client Connection Forum yet!
