About the NFC Quarterback Club

Thank you for your interest and support of North Florida Christian Football! A major source of financial and volunteer support for NFC Football derives from the NFC Quarterback Club. The main mission of the club is to encourage, promote and raise funds for the football program which enables NFC to continue the tradition as one of the premier programs in the state & across the country. The club supports all three football teams: Varsity, Junior Varsity & Middle School. To accomplish its mission, the club actively accepts financial contributions and volunteer assistance from Eagle fans everywhere. This brochure outlines some of those opportunities and we encourage you to give generously.

In conjunction with our general fund raising efforts, the club also sponsors the North Florida Christian Football Golf Tournament each year. Now, in its 19th year, the tournament is inspired by the founder of the quarterback club, Nan Mitchem. Bill & Nan Mitchem moved to Tallahassee in 1995 and enrolled their son, Will, at NFC. Already an active member of the FSU Alumni Boosters, Nan wanted to know what she could do for our football team. Upon the discovery that NFC did not have a football booster program, the never-shy Nan said, "Well, let's get it going." The program has been thriving ever since. In 1996, Nan was diagnosed with breast cancer and on March 16, 1998, went to be with the Lord.

We welcome the participation of each and every parent & supporter in our mission, and like Nan, we know there is something that everyone can do to make NFC the best it can be!

Go Eagles!!

From Head Football Coach, Steve Price

It is time once again for the North Florida Christian Football Golf Tournament. We are pleased to be back out at Killearn Country Club for the tournament. I appreciate your consideration in partnering with the NFC Football program. This tournament is vital to the life of our program; it is the largest fund raising event we have all year, and, without it, we would be unable to do the things we need to do to maintain the quality, first class program we have. The money raised from this tournament will directly fund many of the football teams short and long term needs here at NFC. Funds raised in the past have helped with uniforms, travel expenses, weight room equipment, and more. I would also like to see funds used to offset cost for long-term needs; such as game and practice field renovations, locker and weight room expansion, and stadium renovations, among others. None of this is possible without your support. I want to personally thank each of you for contributions and look forward to your participation in the tournament.
