Dear Ms. Hubbard:

It has been brought to our attention that the Transfer Agreement entered into between Capital Care Network of Toledo and The University of Toledo Medical Center, effective August 1, 2012, may expire on or about July 31, 2013. Rule 3701-83-19(E) of the Ohio Administrative Code requires the Ambulatory Surgical Facility to have a written transfer agreement with a hospital for the "transfer of patients in the event of medical complications, emergency situations, and for other needs as they arise."

In order to continue processing your pending renewal application, you must notify the Ohio Department of Health of the status of this transfer agreement. If the agreement is due to expire, you must provide a copy of another transfer agreement that will be effective on August 1, 2013 and thereafter and that also meets the requirements of rule 3701-83-19(E) of the Ohio Administrative Code. You must submit this information or your facility's plan for how it will comply with these requirements no later than 5:00 pm on **July 31, 2013**. You may submit this information:

By mail to: Ohio Department of Health
DQA/BIOS - Licensure Program
246 N. High Street
Columbus OH 43215

By fax to: (614) 564-2426

By e-mail to: liccert@odh.ohio.gov

Your renewal application will remain on hold until after our office receives the requested information.

If you have any questions, please call Bridgette Smith or me at (614) 466-7713 or email us at liccert@odh.ohio.gov.

Sincerely,

Re: Proposed License Revocation and Refusal to Renew
ID # 0763AS

Dear Ms. Hubbard:

I propose to issue an Order revoking and refusing to renew Capital Care Network of Toledo's health care facility license (ambulatory surgical facility) in accordance with Revised Code (R.C.) Chapter 119 and R.C. 3702.32(D)(2) due to a violation of Ohio Administrative Code (O.A.C.) 3701-83-19(E). O.A.C. 3701-83-19(E) requires an ambulatory surgical facility have a transfer agreement with a hospital for the transfer of patients in the event of medical complications, emergency situations, and for other needs as they arise. Capital Care Network of Toledo does not have a transfer agreement with a hospital, as required in O.A.C. 3701-83-19(E).

On July 30, 2013, the Ohio Department of Health (ODH) faxed and emailed you a letter reminding you that the transfer agreement between Capital Care Network of Toledo and the University of Toledo Medical Center was set to expire on July 31, 2013 based on the April 4, 2013 letter from University of Toledo Medical Center that you provided to the department. Our letter also stated that O.A.C. 3701-83-19(E) requires an Ambulatory Surgical Facility have a written transfer agreement with a hospital for the "transfer of patients in the event of medical complaints, emergency situations, and for other needs as they arise." You were further notified that you must notify ODH of the status of the transfer agreement by submitting a copy of another transfer agreement or your facility's plan for how it will comply with O.A.C. 3701-83-19(E), no later than 5:00 pm on July 31, 2013. The department has not received any response to the July 30, 2013 letter.

On August 1, 2013, ODH surveyors were present at your facility and were not provided with a current transfer agreement. While you indicated that you were finalizing a written transfer agreement, to date, ODH has not received a copy of a transfer agreement or a plan from Capital Care Network of Toledo setting forth how it plans to comply with O.A.C. 3701-83-19(E).

You may request a hearing before me or my duly authorized representative concerning my proposal to revoke and refuse to renew Capital Care Network of Toledo's health care facility license. Such request must be made in writing and received within thirty (30) days of receipt of this letter and should be directed to Kaye Norton, Ohio Department of Health, 246 N. High Street, Office of the General Counsel, Columbus, Ohio, 43215. A request is considered timely if it is received by ODH via FAX, hand delivery,

Terrie Hubbard, RN

or ordinary United States mail, within thirty days of the date of receipt of this letter.

At a hearing, you may appear in person or be represented by an attorney. You may present evidence and you may examine witnesses for and against you. You also may present your position, contentions, or arguments in writing, rather than appear in person for a hearing. If you are a corporation, you must be represented by an attorney licensed to practice in Ohio. Please be advised that if you do not request a hearing within thirty days of receipt of this letter, I may revoke and/or refuse to renew Capital Care Network of Toledo's health care facility license.

Please contact Rachel Belenker, Assistant Counsel, at (614) 466-4882, if you have questions about this matter.

Sincerely,

Theodore E. Wymyslo, M.D.

complications, emergency situations or for other needs as they arise. The facility provided services for 247 patients from 02/16/13 through 07/30/13.

Findings included;

A telephone interview with Staff A took place on 08/01/13 at 10:20 AM. Staff A stated the facility's transfer agreement expired yesterday (07/31/13), but also stated they do have another transfer agreement with another hospital although it has not been signed into agreement yet. A transfer agreement was presented that did not contain the name of the hospital or the appropriate signatures. Staff A went on to state they are expecting the agreement to be signed by Friday (08/02/13).

During the onsite visit on 08/01/13, the facility had patients waiting for procedures.

This finding substantiates the complaint.
