

Honor or Remember a Loved One with Worship Flowers

You are invited to provide flowers for Sunday worship. Two arrangements will be provided by "Always, Always Flowers" at a cost of \$35 per Sunday.

Click <http://www.signupgenius.com/go/10c0f4aa5ab2ba2f49-worship2> to select the Sunday/s of your choice. Please note, due to the penitential character of the season, no flowers will adorn the worship space during the season of Lent (the seven weeks prior to Easter Sunday).

Your name will be listed in the weekly worship folder announcements sheet. When you sign up, please indicate under the comments section if the flowers are in honor or memory of a person or an event (ex: "given by John and Jane Smith in honor of their 40th wedding anniversary"). If no designation is made the flowers will be listed as "given to the glory of God."

You may mail a check to the church office, place a check in the offering plate, or click <https://secure.accessacs.com/access/oglogin.aspx?sn=96460> to make an online payment. (Click on the first link under "giving.")

Please be sure to check the appropriate box if you intend to pick up one or both sets flowers following the 11:11 worship service. Flowers not picked up will be given to a home-bound person or someone in a special care situation.

Thank you for enhancing our Sunday worship with beautiful flowers.
