

## UCS Update: High Value Narrow PPO Introducing the NX Health Network

**NX Health Network** is a **NEW! High Value Narrow PPO** giving Payers and Employers a cutting edge alternative to standard “any willing Provider” networks that offer limited ability to manage Provider and Plan Costs. Unlike current PPO options, **NX Health Network** is creating *Client Specific* networks nationwide that directs Patients to choose from a select list of Providers, while also offering quality and cost-effective services. **NX Health Network** offers the best of two worlds; **dramatic savings through Medicare Plus** payments to Providers, combined with the **peace of mind** of a contracted PPO Network.

### Custom

**Customizable PPO Network** based on your Client’s particular needs.

Focused group of **quality Providers** that are easy to locate within a specific geographic area.

Providers undergo rigorous credentialing using **URAC accreditation standards**.

Dramatic savings on medical bills for both the Plan and Employee (**average of 20%-30%** above traditional PPOs).

The flexibility to offer **multiple Plan benefit options** including Wrap PPOs and Medicare repricing.

Backed by the expert negotiating and bill audit power of **United Claim Solutions** - driving greater overall savings through discounts on out-of-network medical bills.
