

# God's Sons Revealed

***“For creation waits expectantly and longs earnestly for God's sons to be made known – waits for the revealing, the disclosing of their sonship.”***

*Romans 8:19 Amplified Bible*

Throughout history, God has had His sons.

They have been revealed by God, as deliverers and saviours for their generation.

Usually they appeared in times of great national need.

Think about Noah, Moses, Joshua, Samuel, Esther, Ezra, Nehemiah, David, Isaiah, Jeremiah, Ezekiel, Daniel, the minor prophets, and, the New Testament Apostles, to name just a few.

Jesus of course, is THE Deliverer and Saviour, and He is also the *first-born-son*, (the Forerunner), *“bringing many sons to glory.”*

All of the above are sons and daughters of God.

They were living expressions of Him.

God's desire to reproduce Himself was manifested and fulfilled in each one.

They were also *overcomers*. They reached a place where they *loved not their lives to the death*, being willing to die if necessary. They did everything they could to fulfil their God-given calling.

God is preparing to reveal His last day's *sons/overcomers*. They too are deliverers engaged in the final battle against evil. Like Jesus, they are committed to follow God's call, and play their part in seeing the Kingdom of God fully established in the earth.

And Satan overcome.

The whole world (creation) is waiting.

**Are you one of them?**

Have you heard the call in your heart for this generation?

Do you have a witness within?

Has the cry for the reality of God to come again in human form consumed you?

Sons know who they are.

They have heard the call.

It is Deep calling unto deep.

They cannot mistake it, nor escape it.

It is real. Not some false emotion, but revelation.

They have turned their backs on the world and its ways as it is foreign to them.

They have heard Jesus' call to deny themselves.

That is, the death of all personal desires, wants and passions. They die daily, knowing only a desire to be a follower of Jesus and to be a part of His glorious, last day's Kingdom agenda.

They are of a "different breed" – "other worldly".

They do not belong in this world's culture and systems and abhor how it has crept in unnoticed, corrupting Christian witness.

They feel like visitors from another time and place, aliens, who do not belong. Yet they know that they know. They are here for a Godly purpose. A purpose much bigger than anything they can conjure up or imagine. Far, far bigger than anything the world can offer.

They are waiting of Jesus, the first-born Son to show them the way.

Waiting for Father to fill them with Himself in a completely new way. A way never seen before. They are God's *sons/overcomers*.

They are relying completely on a power beyond themselves.

They were foreordained for this time.

Called like a woman forsaken and childless, they will now give birth to a multitude of children.

Forsaken by all others having no use or purpose in their plans.

She waits patiently, for her true Lover to come. The one she was foreordained to marry.

Forsaken but not forgotten, she looks for her Bridegroom to come.

She, and those like her, have been on God's heart all along. He has been preparing them for their ultimate task of overcoming Satan, the god of this world. Thus, they complete that which Jesus had already won.

Alone and lonely, they are waiting, waiting, waiting, for their precious Bridegroom to come. They want no other.

They are becoming Satan's biggest nightmare.

Satan knows his time is short.

Sons have always been this way in that they cannot be bought or manipulated by offers of personal fame and adulation.

Their only desire is that the Lord gets all the glory and praise.

He is their sole delight and pursuit.

They are deeply in love.

He is their example, and they only want to follow Him in His final Kingdom plans.

In addition, they are longing to hear Father's voice, *"Well done good and faithful servant."*

### **Are you one of them?**

Are you ready and willing to complete your ultimate destiny?

God is calling now.

The task is huge, and cannot be carried out using human wisdom.

This is a different path – seldom travelled.

It entails a complete surrender of mind, will and emotions.

A death to self.

Death to all need for personal fame and recognition and the praise of men.

A death like Jesus' death, followed by Resurrection.

This is what separates sons.

The old has gone and the new has come.

They have entered the NEW and LIVING WAY.

They have been truly BORN-AGAIN by the same power that raised Jesus from the dead.

Not born-again because they answered an appeal in some emotion charged meeting, but truly BORN-AGAIN by the complete surrender of their lives to the Lordship of Jesus.

Sons who are just like their Father, and their older Brother.

God plan has always been to reproduce Himself in His *sons/overcomers*.

They are the answer to "who, what, why and when?"

Their destiny was foreordained.

Its fulfilment is now.

It is time for God's true sons/overcomers to make their appearance in the world scene.

Hidden no more, their time has finally come.

This is God's eternal plan.

God's agenda.

Powered by Holy Spirit, not will-power.

They are inevitable and cannot be stopped.

**Spirit led sons arise!**

The world is waiting for you.

Let go and let God.

No human initiative and ideas required.

It is all about what God is going to do.

Be alert...

Pray fervently...

Hand everything over to Him...

---

The perfected VISION is of ONE BODY OF CHRIST made up of those called, chosen and faithful. These true sons have denied themselves in order to follow Jesus, and carry out His eternal plans.

Your Brother,

David Drew – an ambassador for Christ
