

Heavy Equipment Field Service Technician

Columbus, OH Branch

COMPANY SUMMARY:

Headquartered in Broadview Heights, Ohio, Ohio CAT is the exclusive, authorized dealer for Caterpillar equipment and engines throughout Ohio, northern Kentucky, and southeastern Indiana. Ohio CAT conducts its operations through three divisions: the Equipment Division, the Power Systems Division, and the Agri Business Division.

JOB DESCRIPTION / REQUIREMENTS:

Ohio CAT Heavy Equipment Field Service Technicians troubleshoot and repair general heavy equipment drive-train components, electrical and hydraulic systems as well as perform normal machine repair in a safe manner. Field Service Technicians work from an Ohio CAT service truck, in the natural elements. Our technicians also enjoy and benefit from industry leading technical training.

- Heavy equipment service/repair knowledge required, preferably with CAT equipment. 2-3 years experience desired.
- Possess superior diagnosis and mechanical skills and abilities.
- Desire and ability to present strong customer service skills
- Follow all Ohio CAT's policies, procedures, and safety regulations.
- Must own and safely use personal mechanic's tools. "Safely Home, Everyone, Everyday"

EDUCATION AND OTHER REQUIREMENTS:

- High School diploma or equivalent required.
- Associates degree (A.A.) or equivalent from two-year college or technical school preferred.
- Clean (4 or less moving violation points), valid Commercial Driver's License

BENEFITS

- Health/dental/vision insurance, vacation, employee discount program, other benefits available!
