With Scholars David Galston and
Robert Miller from the Jesus Seminar

- Who was this first-century peasant called Jesus?
- What was at the heart of his teachings?
- Why did some gospel writers put words in Jesus' mouth?
- How can we determine what he actually said?
- How does Jesus' teachings compare with those of non-Christian wisdom teachers?

The **2016 DownEast Spiritual Life Conference** has partnered with the Jesus Seminar on the Road to bring you ways of thinking about Jesus that are the result of more than ten years of extensive research by members of the seminar, leading theologians, philosophers, biblical scholars, anthropologists and archeologists.

We are fortunate to have two of the Jesus Seminar's scholars with us for this event.
