On August 8, 2014, the Perille family lost their 27-year-old dear son and brother in a tragic and unexpected accident. Ron Jr. was struck by a motor vehicle while crossing the street. Ronnie was a loving and very devoted young man to his parents and siblings. He loved and enjoyed his niece and nephew. He was a loyal friend to many and was likable to everyone who met him. Ronnie was born and raised in Wolcott. He was a natural athlete and excelled in everything he did. He grew up playing baseball at the B.A.W. He attended Holy Cross High School in Waterbury. He became an avid golfer shortly after, where it was not uncommon for him to shoot a round of par. He worked for C & H Electric, where he was an electrician. He was dedicated to his job and enjoyed what he did. Most recently he became an asset to his father's business, eventually planning on taking it over upon his father's retirement. Ronnie was an inspiration to everyone who knew him and although his dreams for the future were taken suddenly, his memory will live on forever.

In honor of Ron Jr.'s memory the Perille family has scheduled the second Ronald Perille Jr. Memorial Golf Tournament on Friday, June 17, 2016. All proceeds will go to the Ronald Perille Jr. Memorial Scholarship Fund. I have enclosed a registration and sponsorship form for your review and use. Thank you in advance for your generous support.
