

CHIMA Water Park is now open!!!!!!!!!!!!

Yesterday I JUST cannot wait to leave school early with Langie to go to LEGOLAND !!!!!!!!!!

We had an AWESOME time!

When we got there, we went to the water park, then we got a locker, put our stuff in it, and changed in the locker room. We went to the CHIMA Temple Wave pool. It was so great to look at!! Plus, the water slide's were so fun!(and was a little crowded though.)

We loved the CHIMA water park! We had so much fun!!!

At the end of the water park, We got a interview with a nice lady named Erin. We asked if they were going to do anything in the water park with Lego Friends. She said "Probably no. The next question was, "Are you going to do anything about the Lego Movie all around LEGOLAND? She said "Yes. We already made the Lego Movie Experience. Did you see it yet?" "Not yet..." "Well, go check it out then!! You'll love it!" she exclaimed.

We asked our final question.

"If you want to apply for a job here at LEGOLAND, what do you do?"

"Well, first of all, you have to be 16, second of all, you can work at the shows, or work at the attractions. Finally, every employee is called a Model Citizen.

"Even the janitors?" we ask, "even the janitors" she said.

After the water park, we went to the changing rooms and changed into our regular clothes. We went on other rides such as the Sky Cruiser and also the LEGO Movie Experience. The Lego Movie Experience was so cool! It was originally in Hollywood, but, now they moved it to LEGOLAND. It had so many wonderful small buildings! We also saw some cool things they used in the Movie. We loved it! Then we ate dinner and drove Langie home.

I would recommend going to LEGOLAND if you like to have FUN!!!
