**BROWNSBURG HIGH SCHOOL DECA PROGRAM RAISES MONEY FOR
THE MUSCULAR DYSTROPHY ASSOCIATION**

Brownsburg High School's DECA program is hosting a charity golf outing for a community service project.

The events of the day include a four person scramble with a silent auction and dinner to follow. All proceeds of the event will go to the Muscular Dystrophy Association (MDA).

The Muscular Dystrophy Association is the world's leading nonprofit health agency dedicated to finding treatments and cures for muscular dystrophy, amyotrophic lateral sclerosis (ALS) and other neuromuscular diseases. The organization does so by funding worldwide research; by providing comprehensive health care services and support to MDA families nationwide; and by rallying communities to fight back through advocacy, fundraising and local engagement.

The outing will be played at West Chase Golf Club on Sunday, September 27 at 1:00 PM. The deadline to register is September 23. If interested, contact Brownsburg's DECA chapter advisor, Steve Bennett, by email at sbennett@brownsburg.k12.in.us or by phone at (317) 852-2258 ext.1599 for more information or to register.

DECA is the co-curriculum club for Marketing Education students at Brownsburg High School.
