

GSLA

The GSLA is a membership organization for people who reside, work, recreate and care about the Great Sacandaga.

The GSLA membership benefits include:

Education - FREE NYS Boater Safety Classes

Information – NEWS about the lake, Hudson River Black River Regulating District (HRBRRD) through the GSLA website and member-exclusive e-bursts.

Representation – VOICE in the HRBRRD, Great Sacandaga Lake Advisory Council and communication with other lake organizations including the Sacandaga Protection Committee (SPC).

Involvement – Support for local organizations, fish stocking and water quality.

Northville, N.Y. 12134

Great Sacandaga Lake Association

“In 1930, the valley once again was flooded, as it had been in prehistoric days. It became a huge man-made lake, known today as the Great Sacandaga Lake.”
 - Lewis G. Decker, Fulton County Historian

A Call to GSLA Members:

The Great Sacandaga Lake area has experienced quite a bit of change over the years. Water levels have gone up and water levels have gone down. Bridges have gone up and bridges have gone down. The Great Sacandaga Lake Association has been there to support the lake community and represent the lake. We have provided information when information was needed and our members have supported fish stocking, FREE boater safety classes, water quality studies and Citizenship Awards to high school seniors. Now it is time for our members to help recruit members for the future. **SHARE A MEMBERSHIP BROCHURE WITH A FRIEND ... ASK YOUR NEIGHBORS TO JOIN!**
