

GREATER NASHUA PUBLIC HEALTH ADVISORY COUNCIL 2016 ANNUAL MEETING

- Learn more about how the region is responding to weather and climate vulnerability
- Participate in discussions about the impact of policy changes that support improved health for all ages and abilities
- Connect with partners from the region and the State of NH to gather the latest information about programs, services, and initiatives that contribute to a healthier Greater Nashua Public Health Region

Tuesday, April 5, 2016

8:30 AM– 3:00 PM

Rivier University
Dion Hall Reception Room

Morning refreshments and lunch provided

The 2016 Annual Meeting is a part of a week long celebration of events recognizing National Public Health Week.

Please check the City of Nashua Division of Public Health and Community Services website to find out about other special community events planned for this special week!
