

## **AGENDA:**

### **What:**

**Loss Prevention Research Council (LPRC) Violent Crime Working Group (VCWG) Houston Violent Crime Summit**

### **When:**

July 27; 8:00AM-5:00PM

### **Why:**

Multiple retail organizations are reporting violent robbery and parking lot crime is increasing against them. The LPRC has been asked to facilitate a series of localized summits to organized counter-violence R&D and action. Jacksonville, Houston and Baltimore are the first planned summits.

### **Objectives:**

The LPRC VCWG is bringing together leading retailer LP/AP executives with executive and tactical Law Enforcement professionals to:

1. Use mapping, intelligence and crime event data to visualize and identify Houston-area violent retail crime prevention opportunities
  - a. High-impact/risk people, places, methods and times
2. Establish timely intelligence and crime event notification connections and protocol between LE and LP/AP
3. Determine possible Houston-area crime control R&D initiatives

### **Participant Criteria:**

- LP/AP- Corporate and field-level analytic, investigative and operational executives
- LE- Federal, state and local patrol, criminal investigations, intelligence/analysis, and crime prevention executives and tactical

### **Summit Agenda:**

- Wednesday, July 27<sup>th</sup>
