

THE OMMANI CENTER
for Integrative Medicine

EXPERIENCE REAL HEALTH CARE

Education @ Ommani 2014

We are pleased to offer once-a-month workshops/talks on various topics. This is an opportunity to hear The Ommani Center practitioners and staff present on a wide range of health and lifestyle topics and connect with other patients who have similar interests.

Wednesday, May 21, 2014 6-7PM

“Common Ailments & Associated Nutrient Deficiencies”

Presented by Genevie Kocourek, M.D., Family Medicine
(Free- please register in advance, drop-ins welcome)

Tuesday, June 17, 2014 12-12:45PM (Lunch-Hour)

“Breathe to Relieve Stress”

Presented by Shelley Carpenter, PT, RYT, Reiki Master/Teacher
(Free – please, register in advance, drop-ins welcome)

No talks in July or August

We welcome your topic suggestions or requests for
the remainder of 2014 - just call or email us
at ommani@ommanicenter.com with your ideas.

Thank You

You do not need to be a patient at The Ommani Center to attend these informative talks/workshops. Feel free to bring a friend or family member.

**Most talks are free, but space is limited
