***Building a Better Rhode Island***

## *RhodeMap RI Regional Forums August 5 - 8, 2013*

*Open House 5 pm to 9 pm  
Stop by anytime.*

*Formal Program 6 pm to 9 pm*

RhodeMap RI looks at the big picture of Rhode Island's future to make it a better place to live and work. The project will use new state plans to build a better Rhode Island by strengthening our economy, creating vibrant neighborhoods, and planning for future growth. To achieve these goals, we will need to create jobs and train workers, provide safe homes people can afford, and grow in a way that reenergizes our cities and towns and protects the natural environment.

*How can we make our state more competitive and create new jobs?*

*How can we make our neighborhoods strong and vibrant?*

*Where do we want to grow, and what areas need protection?*

*How do we make our state the best it can be?*
