

David Alemian – Bio

Successfully recruiting and retaining physicians and key healthcare executives is a unique, specialty skill. It's a challenging arena but respected columnist and writer David Alemian makes it look easy when **delivering the talent you want.**

Alemian is a leading physician retention and recruitment expert and recognized authority. His expertise is shared via video columns, numerous journals, talk shows, webinars, and speaking engagements. Last year, ***Physician's Money Digest*** and ***MD Magazine*** signed Alemian to a five-year contract to produce and host a new weekly financial video series titled "***The Alemian File.***" The successful video series just completed its 66th episode. Alemian has also published well over 100 written magazine articles.

His national recognition results from both revolutionizing and revitalizing how healthcare organizations attract and retain top talent. He's considered "**The Go-To Guy**" for creating and implementing **absolutely irresistible** recruitment and retention programs. Imagine for a moment the benefit of having physicians and key healthcare executives eagerly "standing in line" to work for your organization.

American Medical Association studies show the #1 concern for all U.S. physicians is their retirement. Alemian helps healthcare organizations use bank financing to create lifetime pension plans, to **attract and retain physicians.** His proprietary strategies and techniques are rooted in a long history of success. The result is an enormous savings in turnover costs, and increased revenues.

Formerly the host of "**It's About Money**" Radio Show, Alemian has also produced and is featured in over 250 financial education videos. Additional content can be found in many well-respected, medical publications including: ***Physicians Practice, Journal of Clinical Oncology, Consultant Live, Psychiatric Times, Cancer Network and OB/GYN.net.***
