

Hungry & Homeless Children Need Our Help This Summer

28,000 children in Orange County are homeless and hungry. Grandma's House of Hope is committed to ending hunger in the motel community and providing necessary items that we often take for granted. Many of these children rely on the assisted school lunch programs as their primary source of food. They are staving off hunger over the weekends, and need food assistance and other supportive services. On top of that, **most of the children in our Nana's Kidz program live in homeless conditions and motels!**

To give you a snapshot of the dire need:

One day, last year, one of our devoted volunteers was 15 minutes late delivering the weekend bag of food to some children living in an Anaheim motel. One child was so upset, thinking that the food was not coming, that he flung himself into our volunteers' arms, desperate and crying in fear of going hungry.

You can be a part of changing that scene into one of full tummies and all smiles!

To date, **Nana's Kidz has served over 1.3 million meals to homeless children** living in local motels, and we are committed to a making sure no child goes to school hungry! But kids need a little more help in August when it's time to go back to school. Some children actually dread going back to school because they are still using a 2 year old torn backpack and shoes with holes in them. **What do they need then?**

They need a backpack, school supplies, and in many cases, a pair of school shoes and a haircut!

You can help these children experience the excitement of Back-to-School and gain the educational opportunities they deserve:

- \$225 Sponsor a Child Provides 616 meals per year, a backpack, school supplies, a pair of shoes and a haircut to a child
- \$35 Back-to-School Sponsor Provides a new backpack, school supplies, a pair of shoes and a haircut for a child
- \$20 Backpack Sponsor Provides a new backpack a child
- \$15 Sponsor School Supplies Provides school supplies for a child
- Become a monthly sponsor for just \$19 per month! Make a one-time donation of _____
